Good afternoon,

On Wednesday of this week, we successfully resubmitted your project to the City of San Diego. There were no issues during the resubmittal process.

We expect to receive comments from the city in approximately 2-3 weeks. Once we receive comments, I'll inform all of you. If anything out of the ordinary happens meanwhile, I'll also inform you.

Let me know if you need copies of everything we submitted and I can upload it to the web for you to download since there are dozens of files.

Please let me know if there is anything else you might need from me.

Thank you
