Good Afternoon,

I am the Development Project Manager assigned to the above referenced project. The project is located in the CO-2-1 (Commercial Office) Zone. Please note that per the San Diego Municipal Code, a Medical Marijuana Consumer Cooperative is not a permitted use in this Zone and staff will be recommending denial of this application.

Please advise if you wish to continue the processing of the subject application through the full review process, or staff could schedule a hearing immediately with a recommendation of denial. Please note that all costs associated with the processing of the application would be charged to the deposit account and not refunded.

Please notify me at your earliest convenience of your preference.

Regards,
