Ken Malbrough, Chairperson Chollas Valley Community Planning Group (CPG)
Ken and the CPG would be the one party (CPG Bylaws) that had a responsibility to both Cotton, as the Property Owner and Geraci/Berry as the CUP applicant. As can be seen by this 3/14/17 letter from DSD to Geraci's representative, Barbara Harris Permitting Services, the CPG contact requirements are clearly spelled out for Team Geraci. but as the property owner, Malbrough ceases all communication with Cotton, thus under the Brown Act Cotton has no access or rights within the CPG.
