Re: Northern Illinois Gas
Site Remediation/Technical Reports

Dear Ms. Tomczak:

As the Remediation Applicant for multiple sites in the Site Remediation Program, the Illinois EPA is sending to you the Electronic Funds Transfer form. If you are interested in submitting your review and evaluation services payments electronically, please fill out the attached form and submit to the address listed on the form. Once the information on the form is reviewed and approved by the State of Illinois Comptroller's Office, a confirmation will be sent to the Remediation Applicant.

All sites for which Northern Illinois Gas provides payment would be covered by this form. An individual form does not need to be submitted for each site.

Please feel free to contact Tamara Moore at 217/785-1869 or Tamara.Moore@illinois.gov if you have any questions.

Sincerely,

Joyce L. Muzie, P.E., Manager
Remedial Project Management Section
