Check this out!!!! I don't have time to download all these 7 dox right now because OneLegal is having an issue, but am forwarding this FYI until I have time to do it later today after I finish two rushes.

Below is the rejection by the SDSC of the DQ now **16 MONTHS AFTER IT WAS SUBMITTED FOR FILING!!!!** It appears that the SDSC and Wohlfeil may be "cleaning house" so-to-speak in light of the federal complaint.

Darryl – if you have time to download and save all these dox, please call me and I will verbally give you my password to OneLegal.
