

**I am a JUDGE! I can do whatever I want to YOU and YOU CAN'T SUE ME!  
I HAVE JUDICIAL IMMUNITY FROM YOUR SILLY LITTLE CIVIL LAWSUIT!**

Judge Cynthia Bashant  
Southern District – Federal  
Defendant in COTTON v AUSTIN

Chief Justice Sidney Thomas  
9<sup>th</sup> Circuit – Federal Appellate  
Defendant in COTTON v AUSTIN

Judge Joel Wohlfeil  
Superior Court – State  
Defendant in COTTON v AUSTIN

**My name is Darryl Cotton and I'm a Pro Se Plaintiff Litigant with a Case in this Federal Court.**

Between the state and federal courts, I'm now @ FOUR YEARS & COUNTING on getting a decision on what is, has and will always be:  
**A SHAM LAWSUIT!** Why is that? It's a sad but simple truth: **JUDGES PROTECT JUDGES!**

**But HERE IS THE RUB!**

**JUDGES DO NOT HAVE ABSOLUTE IMMUNITY WHEN IT COMES TO THEIR JUDICIAL ACTS!**

**If it can be proven their acts were done in excess of jurisdiction, were done maliciously or corruptly they CAN be named in a civil suit.**

**While it can be difficult to prove, as JUDGES DO PROTECT JUDGES, they are not protected by ABSOLUTE IMMUNITY they are protected by QUALIFIED IMMUNITY. If you've been wronged by a judge and have the proof, SUE THEM! ABOSLUTELY!**
