All:

Please see the attached, it should have been included in Exhibit 13. It is the SDG&E notice that proves my electricity is being shut off today. I am on the phone with them now trying to get an extension and I realized that it was not included in the moving papers. I will file the hard copy with the Court tomorrow, but wanted to provide it to you now as I just found out that it was not in there and I wanted to notify you all to correct my mistake as soon as I discovered it.
