RE: UNITED RENTALS (NORTH AMERICA), INC.
6144 Federal Boulevard, San Diego, California 92114

Dear Ms. Roche,

This office acts as counsel for United Rentals (North America), Inc. In response to your request for a statement regarding United Rentals' Federal Boulevard facility, United Rentals provides the following:

"United Rentals is aware of concerns raised regarding its facility on Federal Boulevard in San Diego. We take any such concerns seriously and are actively looking into the matter. The safety and well-being of our neighbors and employees is a top priority at United Rentals. We are committed to operating responsibly and in compliance with all applicable regulations."

Also, for clarification, please note that the storage tank has a capacity of approximately 20,000 gallons and the tank lid is only open during maintenance activities. And, as you conduct your due diligence, I direct your attention to the following websites: <https://151farmers.org/2018/04/01/canna-greed-stay-awake-stay-aware-my-story/> and <https://www.justice4amy.org/wp-content/uploads/2023/02/Darryl-Cotton-City-Council-Statement.pdf>.
