Greetings,

I am submitting this report after having spoken at yesterday's City Council hearing to report fraud and abuse in the City of San Diego's Development Services Department. Those who have been cc'd in this email also spoke at the hearing regarding those charges. You can hear our comments, beginning at 1:37:47 @ https://sandiego.granicus.com/player/clip/8685?view_id=3&redirect=true&h=24f5ec3a1dcf537aa041709736e10fe1

I have submitted the following documents that request an audit be done to see how DSD processed certain cannabis Conditional Use Permits in which the applicants had used the strawman or proxy practice to hide their identities during the application process. As you will see there are numerous projects whereby multiple CUP numbers were used by the same applicants and it appears that DSD did this to hide their involvement in the strawman practice.

I would ask that, upon your review of the information being provided, you contact me to inform me what additional information or clarification might still be required and what you propose be done once the information has been disseminated.
