The 0.12-acre (5,013-square-foot) site is located at 2555 Kettner Boulevard in the IS-1-1 zone of the Midway-Pacific Highway Community Plan. The project site is legally described as: Lot 2 in Block 78 of Middletown, in the City of San Diego, County of San Diego, State of California, according to Map made by J.E. Jackson on file in the office of the County Recorder of San Diego County.

Subject to the terms and conditions set forth in this Permit, permission is granted to Owner and Permittee to operate a 1,513-square-foot cannabis outlet in an existing, 1,513-square-foot, two-story commercial building, described and identified by size, dimension, quantity, type, and location on the approved exhibits (Exhibit "A") dated January 25, 2023, on file in the Development Services Department.

The project shall include:

- a. A 1,513-square-foot cannabis outlet in an existing 1,513-square-foot, two-story commercial building;

Extension of Time has been granted. Any such Extension of Time must meet all SDMC requirements and applicable guidelines in effect at the time the extension is considered by the appropriate decision maker. This Conditional Use Permit (CUP) must be utilized by February 9, 2026.

2. **Expiration Date:** This Conditional Use Permit (CUP) and corresponding use of this site shall expire on February 9, 2028.

This expiration date can be extended by filing for a CUP amendment pursuant to SDMC 126.0114(c), 126.0114(d), and 141.0504(n). To allow the use to continue to operate while an amendment is processed, an amendment application must be deemed complete by the close of business on the expiration date. Otherwise, this permit will expire, and all operation of the use must cease.

An amendment application should be filed at least 90 days before expiration to allow time to be deemed complete.

3. The continued utilization of this CUP is contingent upon (but not limited to) the following, with non-compliance with any of the following being cause to revoke this permit:
- a. The existence of a valid license at this location by the California Department of Cannabis Control (DCC) for any operating business. The issuance of this CUP does not guarantee that the DCC will grant a license for this location.
 - b. Compliance with Chapter 4, Article 2, Division 15 of the San Diego Municipal Code, including payment of any fees enacted pursuant to SDMC 42.1506.
 - c. Timely payment of all current and future Cannabis Business Tax owed pursuant to Chapter 3, Article 4, Division 1 of the San Diego Municipal Code.
 - d. Possession of a Business Tax Certificate for any operating business.
 - e. Fulfillment of all permit conditions.
 - f. Continued compliance with all other applicable federal, state, and local laws.
4. No permit for the construction, occupancy, or operation of any facility or improvement described herein shall be granted, nor shall any activity authorized by this Permit be conducted on the premises until:
- a. The Owner/Permittee signs and returns the Permit to the Development Services Department; and
 - b. The Permit is recorded in the Office of the San Diego County Recorder.
5. While this Permit is in effect, the subject property shall be used only for the purposes and under the terms and conditions set forth in this Permit unless otherwise authorized by the appropriate City decision maker.

6. This Permit is a covenant running with the subject property and all of the requirements and conditions of this Permit and related documents shall be binding upon the Owner/Permittee and any successor(s) in interest.
7. The continued use of this Permit shall be subject to the regulations of this and any other applicable governmental agency.
8. Issuance of this Permit by the City of San Diego does not authorize the Owner/Permittee for this Permit to violate any Federal, State or City laws, ordinances, regulations or policies including, but not limited to, the Endangered Species Act of 1973 (ESA) and any amendments thereto (16 U.S.C. § 1531 et seq.).
9. The Owner/Permittee shall secure all necessary building permits. The Owner/Permittee is informed that to secure these permits, substantial building modifications and site improvements may be required to comply with applicable building, fire, mechanical, and plumbing codes, and State and Federal disability access laws.

11. All of the conditions contained in this Permit have been considered and were determined necessary to make the findings required for approval of this Permit. The Permit holder is required to comply with each and every condition in order to maintain the entitlements that are granted by this Permit.

If any condition of this Permit, on a legal challenge by the Owner/Permittee of this Permit, is found or held by a court of competent jurisdiction to be invalid, unenforceable, or unreasonable, this Permit shall be void. However, in such an event, the Owner/Permittee shall have the right, by paying applicable processing fees, to bring a request for a new permit without the "invalid" condition(s) back to the discretionary body which approved the Permit for a determination by that body as to whether all of the findings necessary for the issuance of the proposed permit can still be made in the absence of the "invalid" condition(s). Such hearing shall be a hearing de novo, and the discretionary body shall have the absolute right to approve, disapprove, or modify the proposed permit and the condition(s) contained therein.

12. The Owner/Permittee shall defend, indemnify, and hold harmless the City, its agents, officers, and employees from any and all claims, actions, proceedings, damages, judgments, or costs, including attorney's fees, against the City or its agents, officers, or employees, relating to the issuance of this permit including, but not limited to, any action to attack, set aside, void, challenge, or annul this development approval and any environmental document or decision. The City will promptly notify Owner/Permittee of any claim, action, or proceeding and, if the City should fail to cooperate fully in the defense, the Owner/Permittee shall not thereafter be responsible to defend, indemnify, and hold harmless the City or its agents, officers, and employees. The City may elect to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification. In the event of such election, Owner/Permittee

shall pay all of the costs related thereto, including without limitation reasonable attorney's fees and costs. In the event of a disagreement between the City and Owner/Permittee regarding litigation issues, the City shall have the authority to control the litigation and make litigation related decisions, including, but not limited to, settlement or other disposition of the matter.
