19 TO DEFENDANT DARRYL COTTON:

20 NOTICE IS HEREBY GIVEN that this motion has been set for hearing on May 20, 2016,
21 at 10:30 a.m., or as soon thereafter as the matter may be heard in Department C-61 of the above-
22 entitled court, located at 330 West Broadway, San Diego, California. Plaintiff, City of San Diego
23 will move the court for a preliminary injunction to enjoin and restrain Defendant DARRYL
24 COTTON, an individual, from maintaining or operating a marijuana dispensary, collective, or
25 cooperative at 6176 Federal Boulevard, in the City of San Diego (PROPERTY), or anywhere else
26 in the City of San Diego. Defendant has allowed an illegal marijuana dispensary to operate from
27 the PROPERTY in violation of local zoning laws. Defendant is the owner of the PROPERTY and
28

1 is strictly liable for all code violations occurring at the PROPERTY pursuant to San Diego
2 Municipal Code (SDMC) section 121.0311.

3 This Application is made pursuant to the provisions of SDMC sections 12.0202 and
4 121.0311, Code of Civil Procedure section 526, and the Court's inherent equity powers, on the
5 grounds that Defendant has violated and maintained violations of the SDMC at his property.
6 These statutes specifically authorize an injunction as an adequate remedy for such violations.
7 Plaintiff will suffer irreparable injury if Defendant is not enjoined from maintaining an
8 unpermitted use at the PROPERTY. Furthermore, Plaintiff is likely to prevail on the merits of this
9 issue and the potential harm to Plaintiff from further maintenance of the unpermitted use at the
10 property far outweighs any harm to Defendant as a result of this injunction and waiting until trial
11 for final determination.

12 The City requests that this Court issue: (1) a Preliminary Injunction Order effective
13 immediately, ordering Defendant, his agents, independent contractors, employees, servants,
14 successors, assigns, or anyone acting on his behalf or in connection with him to refrain from
15 maintaining or operating a marijuana cooperative, collective, dispensary or other marijuana
16 related operation at the PROPERTY and anywhere in the City of San Diego in violation of the
17 SDMC; (2) an Order, effective immediately, to allow the City to inspect the PROPERTY to
18 ensure compliance with this Order; and (3) that Plaintiff be granted such other and further relief
19 as the nature of the case may require and the Court deems appropriate.

20 This motion is based upon this Notice of Motion and Motion, the Complaint on file in this
21 case, the Memorandum of Points and Authorities, the Request for Judicial Notice which includes
22 the declarations of Rowdy Sperry, James Hunter, and Mari Cooper, the Notice of Lodgment,
23 served and filed herewith, and all of the records, exhibits, and papers on file in this action, and the
24 oral and documentary evidence that may be presented at the hearing on this motion.

1 **INTRODUCTION**

2 Plaintiff City of San Diego moves this Court to issue a preliminary injunction against
3 Defendants to restrain each of them from violating the San Diego Municipal Code (SDMC) by
4 operating or maintaining a marijuana dispensary at 6176 Federal Boulevard, in the City of San
5 Diego, State of California (PROPERTY) in violation of local zoning laws.

6 **STATEMENT OF FACTS**

7 Defendant DARRYL COTTON (COTTON) is the owner of record of the PROPERTY.
8 *See Sperry Decl.* ¶ 5, and Lodged Exhibit 1. As owner of the PROPERTY, COTTON is a
9 “Responsible Person” per SDMC section 11.0210 and strictly liable for all code violations
10 existing at the PROPERTY per SDMC section 121.0311. *See People v. Superior Court of Los*
11 *Angeles Cnty.*, 234 Cal. App. 4th 1360, (2015) (property owner’s claim that he lacked knowledge
12 that there was a marijuana facility on his property lacks merit as violation of the Municipal Code
13 is a strict liability offense), *see also People v. Vogel* 46 Cal. 2d 798, 801 (1956); *People v.*
14 *Bachrach* 114 Cal. App. 3d Supp. 8, 11 (1980); and *Leslie Salt Co. v. San Francisco Bay*
15 *Conservation etc. Com.*, 153 Cal. App. 3d 605, 622 (1984).

16 The PROPERTY is located in a Community-Office CO-2-1 zone in the City of San Diego.
17 *See Sperry Decl.* ¶ 11; Lodged Exhibit 2. The permitted uses in this zone are listed in SDMC
18 sections 131.0520 and 131.0522, and corresponding Table 131-05B. The operation or
19 maintenance of a marijuana dispensary, cooperative, or collective is **not** one of the enumerated
20 permitted uses.

21 On October 21, 2015, the City’s Development Services Department Code Enforcement
22 Division (CED) investigated a marijuana dispensary operating at the PROPERTY in violation of
23 local zoning laws. *See Sperry Decl.* ¶ 4.

24 In February of 2016, San Diego Police Detective James Hunter (Detective HUNTER)
25 went to the PROPERTY in an undercover capacity to purchase marijuana. When he entered the
26 dispensary he could smell the odor of marijuana. *See Hunter Decl.* ¶ 8. While inside the product
27 room, Detective HUNTER saw a large display case containing marijuana, THC infused edibles,
28 and concentrated cannabis. He also observed a menu with pricing and different types of

1 marijuana or THC products, a cash register, an ATM, and a female employee. He completed the
2 transaction with the female employee. *See* Hunter Decl. ¶ 10. Detective HUNTER purchased 2.3
3 grams of marijuana for \$25, and was given additional grams of marijuana and a marijuana

4 On April 6, 2016, detectives with the San Diego Police Department (SDPD) executed a
5 search warrant at the PROPERTY for drug trafficking. *See* Cooper Decl. ¶ 8. While inside the
6 PROPERTY, Officer Marisela Cooper (COOPER) could smell the odor of marijuana. She
7 observed a product room containing a large wall display of marijuana infused candies, and two
8 large cases containing marijuana, THC infused edibles, and concentrated cannabis. She also
9 observed a menu with pricing and different types of marijuana or THC products, a cash register,
10 and an ATM. *See* Cooper Decl. ¶ 9. Inside the PROPERTY, Officer COOPER located
11 approximate 300 marijuana plants. *See* Cooper Decl. ¶ 10. DARRYL COTTON stated the
12 marijuana plants at the PROPERTY belonged to him. *See* Cooper Decl. ¶ 10. SDPD officers
13 confiscated all the marijuana plants located at the PROPERTY.

14 Defendants' conduct is in direct contravention of local zoning laws prohibiting precisely
15 this activity. The dispensary is not a permitted use, however Defendant COTTON continued to
16 operate and maintain a dispensary at the PROPERTY in violation of local zoning laws. The Court
17 is asked to immediately order a Preliminary Injunction, Civil Penalties, and Other Equitable
18 Relief against all responsible parties pending further hearings for preliminary and permanent
19 injunction, including civil penalties as allowed by law.

20 ARGUMENT

21 A. FEDERAL, STATE AND LOCAL LAWS PROHIBIT DEFENDANTS FROM 22 OPERATING A MARIJUANA DISPENSARY AT THE PRESENT LOCATION

23 1. **Federal Law:** Under the federal Controlled Substances Act (CSA), 21 U.S.C.A. § 801
24 et seq., it is unlawful to manufacture, distribute, dispense and possess marijuana. The federal
25 government continues to classify Marijuana as a Schedule I substance, as it has a high potential
26 for abuse, no accredited medical use, and a lack of accepted safety. 21 U.S.C.A. § 812.
27 Additionally, there is no medical necessity defense to the CSA's prohibitions. *United States v.*
28

1 *Oakland Cannabis Buyers' Cooperative*, 532 U.S. 483, 491 (2001). Therefore, the operation of a
2 marijuana dispensary is a violation of federal law.

3 2. **State Law:** In 1996, California voters approved the Compassionate Use Act (CUA),
4 which is codified in California Health & Safety Code section 11362.5. The CUA is intended to
5 “ensure that seriously ill Californians have the right to obtain and use marijuana for medical
6 purposes where that medical use is deemed appropriate and has been recommended by a
7 physician.” Cal. Health & Safety Code § 11362.5(b)(1)(A). The purpose of the CUA was to
8 provide partial immunity for the possession and cultivation of marijuana to two groups of people:
9 qualified medical marijuana patients and their primary caregivers. *People v. Mentch*, 45 Cal. 4th
10 274, 277 (2008). The CUA did not “legalize” marijuana or dispensaries for its distribution. *Ross*
11 *v. Raging Wire Telecommunications*, 42 Cal. 4th 920, 927-28 (2008).

12 Likewise, the Medical Marijuana Program (MMP), codified in California Health & Safety
13 Code sections 11362.7 through 11362.83, provides limited protection from criminal prosecution.
14 The MMP states that “[q]ualified patients, persons with valid identification cards and the
15 designated primary caregivers, who associate within the State of California in order to
16 collectively or cooperatively cultivate marijuana for medical purposes, shall not solely on the
17 basis of that fact be subject to state criminal sanctions.” Health & Safety Code § 11362.775.

18 As a result, the California Court of Appeal has upheld injunctions against marijuana
19 dispensaries operating in violation of local zoning laws. *City of Claremont v. Kruse*, 177 Cal.
20 App. 4th 1153 (2009); *City of Corona v. Naulls*, 166 Cal. App. 4th 418 (2008); and *County of Los*
21 *Angeles v. Hill*, 192 Cal. App. 4th 861 (2011). In these cases, the Courts of Appeal confirmed that
22 neither the Compassionate Use Act nor the Medical Marijuana Program preempts a city’s
23 enactment or enforcement of land use, zoning, or licensing laws as they apply to marijuana
24 dispensaries.

25 Most importantly, in a unanimous decision, the California Supreme Court confirmed that
26 there is no state preemption over local municipalities completely banning dispensaries through
27 zoning laws. *City of Riverside v. Inland Empire Patients Health and Wellness Center, Inc.*, 56
28 Cal. 4th 729, 752 (2013). The California Supreme Court thoroughly analyzed the CUA and

1 MMP on the question of local preemption and confirmed the previous analysis and holdings of
2 *Kruse and Hill. City of Riverside*, 56 Cal. 4th at 744-63. The Court recognized that local police
3 power derives from Article XI, section 7, of the California Constitution, and explained that “[t]his
4 inherent local police power includes broad authority to determine, for the purposes of public
5 health, safety and welfare, the appropriate uses of land within a local jurisdiction’s borders, and
6 preemption by state laws is not lightly presumed.” *Id.* at 738. The Court concluded that “[n]othing
7 in the CUA or the MMP expressly or impliedly limits the inherent authority of a local
8 jurisdiction, by its own ordinances, to regulate the use of its land, including the authority to
9 provide that facilities for the distribution of medical marijuana will not be permitted to operate
10 within its borders.” *Id.* At 752.

11 3. **Local Law - SDMC**: SDMC Chapters 11 through 15 contained in the Land
12 Development Code (LDC)¹ establish the City’s zones, which regulate all land use in the City.
13 SDMC Chapter 14 addresses regulated uses and Chapter 15 contains zoning regulations
14 pertaining to Planned Districts. The LDC establishes use categories and subcategories for
15 permitted uses. Within each zone, the Code indicates which land uses are permitted as a matter of
16 right and which are permitted subject to certain conditions. This scheme is similar to those of
17 other cities. *See City of Claremont*, 177 Cal. App. 4th at 1168; *City of Corona*, 166 Cal. App. 4th
18 at 431-33. The Court of Appeal in both cases clearly held that when marijuana dispensaries are
19 not included among the enumerated land uses in a city’s zoning code, then marijuana dispensaries
20 are presumptively prohibited. *City of Claremont*, 177 Cal. App. 4th at 1168; *City of Corona*, 166
21 Cal. App. 4th at 431-33.

22 **B. A BAN OF MARIJUANA DISPENSARIES IS A VALID USE OF POLICE**
23 **POWER, AND DEFERENCE SHOULD BE GIVEN TO THE CITY’S**
24 **INTERPRETATION OF ITS OWN ZONING LAWS.**

25 Every intendment is in favor of the validity of zoning ordinances and it is presumed that
26 the ordinances’ enactment as a whole is justified under the police power and adopted to promote
27 the public health, safety, morals and general welfare. *City of Long Beach v. Cal. Lambda Chapter*

28 ¹ SDMC § 111.0101 (a) Chapters 11 through 15 of the City of San Diego Municipal Code shall be known collectively, and may be referred to, as the Land Development Code.

1 of *Sigma Alpha Epsilon Fraternity*, 255 Cal. App. 2d 789, 794 (1967). Specifically, under Article
2 XI, section 7 of the California Constitution, “[a] county or city may make and enforce within its
3 limits all local, police, sanitary, and regulations not in conflict with general laws.” *City of*
4 *Riverside*, 56 Cal. 4th at 742.

5 In this case, the City has determined that the operation of a marijuana dispensary,
6 cooperative or collective is not a permitted use in the zone where the PROPERTY is located.
7 Sperry Decl. ¶ 11. This Court should not second-guess the City’s decision. As stated in *In re Ellis*,
8 25 Cal. App. 2d 99, 103 (1938), “[t]he courts have no power to dictate to the Council as to how
9 the city should be zoned.” *Id.* At 103. Likewise, in *Chevron U.S.A. Inc. v. Natural Resources*
10 *Defense Council, Inc.*, 467 U.S. 837, 844 (1984), the United States Supreme Court recognized
11 that deference should be given to an administrative agency’s permissible construction of a statute.
12 *Id.* at 844. The Court of Appeal in *City of Long Beach* stated:

13 The legislative determination with reference to a regulation of the
14 use of property, or the restriction of such a use will be given great
15 weight in any judicial inquiry into the validity of the enactment, and
16 courts will not interfere with the discretion of law-making bodies
17 unless it is clear that needless oppression is imposed and
constitutional rights are invaded. The very enactment of the
ordinance per se furnishes prima facie evidence of the existence of
those facts and conditions which made the ordinance reasonable
and necessary.

18 *City of Long Beach*, 255 Cal. App. 2d at 795.

19 Judicial review of interpretation and application of local zoning ordinances is subject to
20 “the fundamental rule that interpretation of the meaning and scope of a local ordinance is, in the
21 first instance, committed to the local agency. Under well-established law, an agency’s view of the
22 meaning and scope of its own ordinance is entitled to great weight unless it is clearly erroneous or
23 unauthorized.” *Friends of Davis v. City of Davis*, 83 Cal. App. 4th 1004, 1015 (2000). This Court
24 should similarly defer to the City’s police power and uphold the City’s zoning laws which
25 prohibit dispensaries at the Property. Deference should also be given to the City’s interpretation
26 and application of its own local ordinances.

27 Under long-standing law, mere proof of the zoning violation constitutes sufficient
28 showing for issuance of an injunction. When a city seeks to enforce a valid local zoning

1 ordinance by injunction, the court's inquiry is limited to whether a zoning violation exists. *City*
2 *and County of San Francisco v. Burton*, 201 Cal. App. 2d 749, 756-57 (1962). No proof of a
3 public nuisance per se or in fact is required. *Id.* A violation of a valid zoning ordinance by itself
4 constitutes a sufficient showing for the issuance of injunctive relief. *City of Santa Clara v. Paris*,
5 76 Cal. App. 3d 338, 341-42 (1977); *City and County of San Francisco v. Padilla*, 23 Cal. App.
6 3d 388, 401 (1972); *City of Los Altos v. Barnes*, 3 Cal. App. 4th 1193, 1198 (1992); *City of San*
7 *Mateo v. Hardy*, 64 Cal. App. 2d 794 (1944); *City of Stockton v. Frisbie & Latta*, 93 Cal. App.
8 277 (1928). Most importantly, the California Supreme Court has opined that there is no state
9 preemption preventing municipalities from completely banning marijuana dispensaries through
10 zoning laws. *City of Riverside*, 56 Cal. 4th at 752.

11 **C. A PRELIMINARY INJUNCTION ORDER IS NECESSARY BECAUSE THE**
12 **PUBLIC'S SAFETY IS JEOPARDIZED.**

13 There is clear harm to the public when individuals or entities are allowed to ignore a law
14 of general applicability that aims to protect neighborhoods and compatibility of adjacent land
15 uses. In *Pettit v. City of Fresno*, 34 Cal. App. 3d 813, 823 (1973), the Court held:

16 [A]ll the residents of the community have a protectable property
17 and personal interest in maintaining the character of the area as
18 established by comprehensive and carefully considered zoning
19 plans in order to promote the orderly physical development of the
district and the city and to prevent the property of one person from
being damaged by the use of neighboring property.

20 This public need for effective zoning controls is especially true for marijuana dispensaries.
21 Law enforcement has determined that marijuana dispensaries increase the likelihood of crime.
22 Community members complain about marijuana dispensaries selling other illegal drugs and
23 negatively affecting the community. *See* Hunter Decl. ¶¶ 4-6. San Diego Police Department
24 received a complaint regarding erratic driving by customers leaving the illegal marijuana
25 dispensary operating out of PROPERTY. *See* Cooper Decl. ¶¶ 6-7.

26 If Defendants are allowed to continue operating and maintaining a marijuana dispensary,
27 they will undercut the legitimate and lawful objectives underlying state and local law and
28 continue to present an unwarranted public safety risk. Absent injunctive relief, the City is denied

1 the ability to act in the best interests of the community or protect it from the detrimental effects of
2 this unlawful business. Citizens justifiably expect that state laws and local zoning laws designed
3 to protect their safety, comfort and quality of life will be enforced. Absent a preliminary
4 injunction order, this justifiable expectation is frustrated.

5 **D. AN INJUNCTION IS PROPER IN THIS CASE**

6 **1. When a Municipality Seeks to Enjoin a Violation of a Statute, it Need Only**
7 **Show a Reasonable Probability of Prevailing on the Merits at Trial**

8 A preliminary injunction is an appropriate means for a municipality to prevent further
9 violations of a local ordinance pending final judgment in an action pending trial. *City of Stockton*,
10 93 Cal. App. at 277. Traditionally, courts employ a two-pronged test when deciding whether to
11 issue a preliminary injunction: first, the judge considers the likelihood of the plaintiff's
12 prevailing on the merits at trial and second, the judge evaluates the relative harm to the plaintiff if
13 the injunction is denied, balanced against the harm to the Defendant if the injunction is issued.
14 *See Continental Baking Co. v. Katz*, 68 Cal. 2d 512, 528 (1968); *Pleasant Hill Bayshore*
15 *Disposal, Inc. v. Chip-it Recycling, Inc.*, 91 Cal. App. 4th 678, 695 (2001); Civ. Proc. Code §
16 526(a).

17 However, where a governmental entity seeks to enjoin violations of a statute or ordinance
18 that specifically authorizes injunctive relief, a presumption arises in the City's favor:

19 Where a governmental entity seeking to enjoin the alleged violation
20 of an ordinance which specifically provides for injunctive relief
21 establishes that it is reasonably probable it will prevail on the
22 merits, a rebuttable presumption arises that the potential harm to the
23 public outweighs the potential harm to the defendant.

24 *IT Corp. v. County of Imperial*, 35 Cal. 3d 63, 72 (1983):

25 The court explained its reasoning:

26 Where a legislative body has enacted a statutory provision
27 proscribing a certain activity, it has already determined that such
28 activity is contrary to the public interest. Further, where the
legislative body has specifically authorized injunctive relief against
the violation of such a law, it has already determined (1) that
significant public harm will result from the proscribed activity, and
(2) that injunctive relief may be the most appropriate way to protect
against that harm.

1 *Id.* at 70. See also *City of Los Altos v. Barnes*, 3 Cal. App. 4th 1193 (1992).

2 Here, the City seeks to enjoin violations of the SDMC which specifically provide for
3 injunctive relief. SDMC section 12.0202(a) provides that any provision of the Municipal Code
4 “may be enforced by injunction issued by the Superior Court upon a suit brought by The City of
5 San Diego.” RJN No. 3. Similarly, SDMC section 121.0311 provides that the designated Code
6 Enforcement Official may seek injunctive relief as a remedy for violations of the Land
7 Development Code. RJN No. 1. The standard for the issuance of an injunction as articulated by
8 the Court in *IT Corp.* has clearly been met in this case.

9 Furthermore, the declarations and exhibits presented by the City overwhelmingly establish
10 a reasonable probability of prevailing on the merits at trial. The Defendants are in violation of
11 local municipal code provisions. RJN Nos. 5-7. These violations were observed by trained
12 individuals and are well documented. This gives rise to a rebuttable presumption that the potential
13 harm to the public outweighs the potential harm to the Defendants, giving the Court ample
14 justification to issue immediate injunctive relief.

15 **2. Defendants Will Not Suffer Grave or Irreparable Harm from the Issuance of**
16 **an Injunction**

17 Once a rebuttable presumption arises in favor of the Plaintiff, Defendants are required to
18 prove that the issuance of a preliminary injunction will cause them to suffer grave or irreparable
19 harm. *IT Corp.*, 35 Cal. 3d at 72. In this case, Defendants cannot show grave and irreparable
20 harm. An order to cease unlawful acts does not constitute irreparable harm. *People ex rel. Dep’t.*
21 *of Indus. Relations v. Morehouse*, 74 Cal. App. 2d 870, 875 (1946) [no harm to property owner
22 where “no attempt to compel Defendant to do any specific particular act other than to cease
23 violating the law in the operation of her premises.”]. Any perceived or asserted economic harm to
24 Defendants resulting from the injunction does not establish grave or irreparable harm. *IT Corp.*,
25 35 Cal. 3d at 75. Because the Defendants cannot demonstrate grave or irreparable harm, the Court
26 need not balance the relative actual harms to the parties. *Id.* at 72. Instead, the Court should order
27 the Defendants to follow the law.

3. Injunctive Relief is Proper to Enforce any Violations of the San Diego Municipal Code

A city may regulate land use pursuant to its police powers by the enactment of zoning and building ordinances. *See Sullivan v. Los Angeles*, 116 Cal. App. 2d 807, 810 (1953); *Miller v. Board of Pub. Works*, 195 Cal. 477, 490 (1925). A violation of a valid zoning or building ordinance may be enjoined by seeking an injunction from a court of equity. *County of San Diego v. Carlstrom*, 196 Cal. App. 2d 485, 491 (1961).

Where the personal welfare and the property rights of a large number of the inhabitants of a city or town would be detrimentally affected by a violation of a police or sanitary regulation, whether the ordinance provides other means for its enforcement or not, such city or town may itself appeal to a court of equity by means of the forceful and singularly effective writ of injunction to restrain such violation or to cause the wrongful effect thereof to be removed.

City of Stockton, 93 Cal. App. at 290 (parenthetical omitted). Consequently, the City of San Diego may properly seek a preliminary injunction against Defendants' violations of the SDMC.

Here, the declarations and exhibits show that the City is extremely likely to prevail on the merits. The weighing of risk and hardship also overwhelmingly favors the City. The risks are too great to the City and its residents to allow the conditions pending a trial. Whether the court focuses on one or both of the considerations stated in *IT Corp*, an injunction is both proper and essential to prevent further harm.

CONCLUSION

The City has a clear right to use its land use powers to regulate dispensaries. Local zoning laws are clear that marijuana dispensaries are not a permitted use at the location where Defendants are maintaining and operating a dispensary business. Defendants' actions must be enjoined to provide the protection the public deserves and expects. Plaintiff respectfully requests

.
.
.
.
.

1 that immediate injunctive relief be granted to prohibit Defendants from operating or maintaining a
2 marijuana dispensary in violation of zoning ordinances.

§121.0308 No Permission to Violate Codes

- (a) The issuance or granting of any *development permit* or *construction permit* or any plan, specifications, computations, or inspection approval does not constitute a permit for, or an approval of, any violation of any of the provisions of the Land Development Code, including the Building, Electrical, Plumbing, Mechanical, Residential Building, or Green Building Regulations, or any other ordinance of the City. *Development permits, construction permits*, or inspections presuming to give authority to violate or cancel the provisions of the Land Development Code, Building, Electrical, Plumbing, Mechanical, Residential Building, or Green Building Regulations or other ordinances of the City are not valid.
- (b) The issuance of a *development permit* or *construction permit* based on plans, specifications, and other data does not prevent the City Manager from subsequently requiring the correction of errors in the plans, specifications, and other data or the Building Official from stopping building operations that are in violation of the Land Development Code or any other applicable law.

DECLARATION OF ROWDY SPERRY IN
SUPPORT OF PLAINTIFF CITY OF SAN
DIEGO'S *EX PARTE* APPLICATION FOR
TEMPORARY RESTRAINING ORDER AND
ORDER TO SHOW CAUSE WHY A
PRELIMINARY INJUNCTION SHOULD
NOT BE GRANTED

IMAGED FILE

Date: March 17, 2016

Time: 8:30 a.m.

Dept.: C-61

Judge: Hon. John S. Meyer

Complaint Filed: February 18, 2016

Trial Date: None set

17
18
19
20 I, Rowdy Sperry, declare:

21 I have personal knowledge of the following facts and am competent to testify as to these
22 facts if called as a witness.

23 1. I am a Land Development Investigator with the City of San Diego's Development
24 Services Department, Code Enforcement Division. I have been employed by the City of San
25 Diego as a Land Development Investigator since September 2014. I have received extensive
26 training on administration and enforcement of the zoning regulations contained in Chapter 13 of
27 the San Diego Municipal Code (SDMC). Specifically, I received training on how to read and
28 interpret the zoning regulations contained in the SDMC, the original City Ordinances adopting

1 these zoning regulations, zoning maps, County Tax Assessor's Records and other City and
2 County records related to the permitted uses on a given parcel. I also have extensive training on
3 the administration and enforcement of the regulations contained in SDMC Chapters 11 through
4 15 as they relate to land use, zoning, building/housing and health and safety issues. Prior to my
5 employment with the City of San Diego, I was a Sheriff's Deputy for San Joaquin County.

6 2. As a Land Development Investigator, I conduct field inspections on properties
7 throughout the City of San Diego. I routinely inspect residential, commercial, industrial and
8 agricultural properties, gathering and interpreting the necessary regulations and documents to
9 determine whether the uses at the properties are permitted.

10 3. As a Zoning investigator, I conduct field inspections on properties throughout the City
11 of San Diego. I am assigned to inspect residential, commercial, industrial, and agricultural
12 properties, gathering and interpreting the necessary regulations and documents to determine
13 whether the uses at the properties are permitted.

14 INVESTIGATION

15 4. On October 21, 2015, I opened an investigation of a marijuana dispensary by the name
16 of "Pure Meds" operating at 6176 Federal Boulevard in the City of San Diego (PROPERTY) in
17 violation of local zoning laws.

18 5. In my research of the ownership of the PROPERTY, I determined that a Grant Deed
19 was recorded with the San Diego County Recorder's Office on February 27, 1998, document
20 number 1998-0102763, listing the owner of record of the PROPERTY as "Darryl Cotton, A
21 Single Man." See Lodged Exhibit 1.

22 6. During my investigation, I located advertisements showing "Pure Meds" was
23 operating as an illegal marijuana dispensary at the PROPERTY. I discovered "Pure Meds" has
24 been advertising in San Diego Reader Magazine since the magazine's August 13, 2015 edition.

25 7. During my investigation, I also located several "Pure Meds" advertisements at the
26 following online websites: weedmaps.com; Nuweedorder.com; Headshopfinder.com;
27 Familyhigh.com; 420friends.club; ifindweeds.com; and wheresweed.com. See Lodged Exhibit 4.

1 8. From August 3, 1987 to January 13, 2016, the PROPERTY was zoned to Southeastern
2 San Diego Planned District Industrial zone (SESDDP-I-1). At the time, the zone allowed for
3 Medical Marijuana Consumer Cooperative (MMCC) with Conditional Use Permit required.

4 9. During my investigation on December 1, 2015, I confirmed that "Pure Meds MMD"
5 was the occupant at the PROPERTY. I also located a dissolved Business Entity Detail for "Pure
6 Medical Collective Inc", with an Agent for Service, "Makar Ghazaryan", out of Studio City,
7 California.

8 10. I determined that there was an active Business Tax Certificate (BTC) for this
9 PROPERTY since September 9, 2004. The certificate listed the business as "Fleet Systems". I
10 did not locate a BTC for "Pure Meds" and "Pure Meds" is not registered with the Secretary of
11 State. *See* Lodged Exhibit 5.

12 11. Effective January 14, 2016, Southeastern San Diego Planned District was eliminated
13 and the PROPERTY were rezoned to Commercial Office zone (CO-2-1). SDMC sections
14 131.0520, 131.0522, and Table 131-05B list the permitted uses in a CO-2-1 zone where the
15 PROPERTY is located. According to 131.0520, 131.0522, and Table 131-05B, a Medical
16 Marijuana Consumer Cooperative is not a permitted use in a Commercial Office zone. *See*
17 Lodged Exhibit 2.

18 12. Previously conforming rights do not apply to separately regulated uses pursuant to
19 SDMC 127.0107. A MMCC is a separately regulated use. As such, the PROPERTY does not
20 have a previously conforming right to MMCC as a permitted use. "Pure Meds" never applied for
21 nor did it receive a Conditional Use Permit to operate and maintain a marijuana dispensary at the
22 PROPERTY. Any marijuana dispensary now operating at the PROPERTY is violating local
23 zoning laws.

24 13. Furthermore, pursuant to SDMC sections 131.0520, 131.0522, and Table 131-05B, the
25 PROPERTY being operated or maintained with the use of Distribution and Storage is not a
26 permitted use in a Commercial Office zone. Therefore, use of storage or distribution at the
27 PROPERTY is violating local zoning laws.

1 "Pure Meds". Inside the dispensary I observed the odor of marijuana, a lobby, sitting area, and a
2 receptionist. I also observed security cameras, a reception window, and an interior door with
3 security locking device to restrict access.

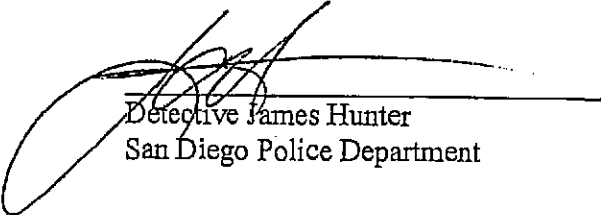

4 9. There was one (1) male receptionist standing behind the receptionist window. No one
5 else was present. I presented the receptionist my medical recommendation and California
6 identification card. The receptionist gave me a patient form to complete. The patient form
7 indicated that by completing the form, I was now a member of the cooperative. I completed the
8 form and returned it to the receptionist. The receptionist returned my medical recommendation
9 and California identification card. The male receptionist then hit a buzzer, allowing me through a
10 door. Once through the door, I entered the product room.

11 10. Inside the product room, I saw a large display case containing marijuana, THC infused
12 edibles, and concentrated cannabis. I also observed a menu with pricing and different types of
13 marijuana or THC products, a cash register, an ATM, and a female employee. I completed the
14 transaction with the female employee. The male receptionist walked back to address the female
15 employee. I noticed that the male receptionist was armed and wearing a drop holster with a semi-
16 automatic handgun in the holster. He had nothing identifying him as a security guard.

17 11. I purchased 2.3 grams of marijuana for \$25. Because I was a first time patient, the
18 employee gave me an additional 3.3 grams of marijuana and a marijuana cigarette for free.

19 12. I transported the marijuana to Police Headquarters and impounded the marijuana. A
20 true and correct copy of the photograph I took of the marijuana and marijuana cigarette is lodged
21 as Exhibit 3.

22 I declare under penalty of perjury under the laws of the State of California that the
23 foregoing is true and correct and that this declaration was executed in San Diego, California, on
