STANDARD REQUIREMENTS:

1. This permit must be utilized within thirty-six (36) months after the date on which all rights of appeal have expired. If this permit is not utilized in accordance with Chapter 12, Article 6, Division 1 of the SDMC within the 36-month period, this permit shall be void unless an Extension of Time has been granted. Any such Extension of Time must meet all SDMC requirements and applicable guidelines in effect at the time the extension is considered by the appropriate decision maker. This permit must be utilized by March 7, 2022.
2. This Conditional Use Permit [CUP] and corresponding use of this site shall expire on March 7, 2024. Upon expiration of this Permit, the facilities and improvements described herein, except for the public improvements, shall be removed from this site and the property shall be restored to its original condition preceding approval of this Permit.
3. No permit for the construction, occupancy, or operation of any facility or improvement described herein shall be granted, nor shall any activity authorized by this Permit be conducted on the premises until:
 - a. The Owner/Permittee signs and returns the Permit to the Development Services Department; and
 - b. The Permit is recorded in the Office of the San Diego County Recorder.
4. While this Permit is in effect, the subject property shall be used only for the purposes and under the terms and conditions set forth in this Permit unless otherwise authorized by the appropriate City decision maker.

6. The continued use of this Permit shall be subject to the regulations of this and any other applicable governmental agency.
7. Issuance of this Permit by the City of San Diego does not authorize the Owner/Permittee for this Permit to violate any State or City laws, ordinances, regulations or policies including, but not limited to, the Endangered Species Act of 1973 [ESA] and any amendments thereto (16 U.S.C. § 1531 et seq.).

However, in such an event, the Owner/Permittee shall have the right, by paying applicable processing fees, to bring a request for a new permit without the "invalid" condition(s) back to the discretionary body which approved the Permit for a determination by that body as to whether all of the findings necessary for the issuance of the proposed permit can still be made in the absence of the "invalid" condition(s). Such hearing shall be a hearing de novo, and the discretionary body shall have the absolute right to approve, disapprove, or modify the proposed permit and the condition(s) contained therein.

11. The Owner/Permittee shall defend, indemnify, and hold harmless the City, its agents, officers, and employees from any and all claims, actions, proceedings, damages, judgments, or costs, including attorney's fees, against the City or its agents, officers, or employees, relating to the issuance of this permit including, but not limited to, any action to attack, set aside, void, challenge, or annul this development approval and any environmental document or decision. The City may elect to conduct its own defense, participate in its own defense, or obtain independent legal counsel in defense of any claim related to this indemnification. In the event of such election, Owner/Permittee shall pay all of the costs related thereto, including without limitation reasonable attorney's fees and costs. WHEREAS, the project site is located at 9220 Mira Este Court in the IL-3-1 Zone within the Mira Mesa Community Plan area;

WHEREAS, the project site is legally described as Lot 15 of Mira Este Business Park, in the City of San Diego, County of San Diego, State of California, according to Map No. 11683, filed in the office of the County Recorder of San Diego County, December 17, 1986.

WHEREAS, on October 9, 2018, the City of San Diego, as Lead Agency, through the Development Services Department, made and issued an Environmental Determination that the project is exempt from the California Environmental Quality Act (CEQA) (Public Resources Code Section 21000 et seq.) under CEQA Guideline Section 15301(Existing Facilities) and there was no appeal of the Environmental Determination filed within the time period provided by San Diego Municipal Code Section 112.0520;

WHEREAS, on February 20, 2019, the Hearing Officer of the City of San Diego considered Conditional Use Permit No. 2063424 pursuant to the Land Development Code of the City of San Diego; NOW, THEREFORE,

BE IT RESOLVED by the Hearing Officer of the City of San Diego as follows:

That the Hearing Officer adopts the following written Findings, dated February 20, 2019.

A. CONDITIONAL USE PERMIT [SDMC Section 126.0305]

1. Findings for all Conditional Use Permits:

a. The proposed development will not adversely affect the applicable land use plan.

The proposed project requests a Conditional Use Permit to operate a Marijuana Production Facility (MPF) within an existing 10,149 square-foot, one-story building located 9220 Mira Este Court. The 0.55-acre site is located within the IL-3-1 Zone within the Mira Mesa Community Plan.

The site is within the Light Industrial Land Use Area and the Miramar Subarea of the Mira Mesa Community Plan. The Light Industrial designation is intended to accommodate manufacturing, storage, warehousing, distribution and similar uses. The IL-3-1 Zone allows a mix of light industrial, office, and commercial uses. The proposed MPF, and industrial use category, is a compatible use for this location with the Conditional Use Permit and is consistent with the community plan. Therefore, the proposed MPF will not adversely affect the applicable land use.

b. The proposed development will not be detrimental to the public health, safety, and welfare.

The proposed project requests a Conditional Use Permit to operate an MPF within an existing 10,149 square-foot, one-story building located at 9220 Mira Este Court. The 0.55-acre site is located within the IL-3-1 Zone within the Mira Mesa Community Plan. The building is currently being used for light industrial uses. The project proposes to include manufacturing, storage, packaging and distribution of cannabis products to State of California License outlets. No cultivation or retail sales are proposed. The proposed project will require the Owner/Permittee to obtain a change of use/occupancy building permit consistent with all California Codes and Regulations in effect at the time of building permits, satisfactory to the Building Official. Public improvements will include the removal and replacement of two existing driveways, curb, gutter, and sidewalk fronting the site on Mira Este Court, per current City Standards.

MPF's are restricted to forty City-wide, within light and heavy industrial zones. MPF's require compliance with San Diego Municipal Code (SDMC) Section 141.1004, which require a 1,000-foot separation, measured between property lines from, resource and population-based City parks, churches, child care centers, playgrounds, City libraries, minor-oriented facilities, residential care facilities, and schools. MPF's also require a minimum distance of 100 feet from a residential zone. The proposed MPF complies with the separation requirements between uses set forth in SDMC Section 141.1004 (a). Security requirements include interior and exterior lighting, security cameras, alarms and a security guard. The security guard must be licensed by the State of California and be present on the premises during business hours. MPF's must also comply with SDMC Chapter 4, Article 2, Division 15 which provides guidelines for lawful operation.

The proposed project will be required to comply with the development conditions as described in the Conditional Use Permit No. 2063424. The Conditional Use Permit No. 2063424 will be valid for five years and may be revoked if the Owner/Permittee violates the terms, conditions, lawful requirements, or provisions of the Permit.

The proposed development will not be detrimental to the public's health, safety and welfare in that the discretionary permit controlling the use of this site contains specific regulatory conditions of approval, as referenced in the Conditional Use Permit No. 2063424. The referenced regulations and conditions have been determined as necessary to avoid adverse impact upon the health, safety and general welfare of persons patronizing, residing or working within the surrounding area. Therefore, the proposed MPF will not be detrimental to the public health, safety and welfare.

c. The proposed development will comply with the regulations of the Land Development Code including any allowable deviations pursuant to the Land Development Code.

The proposed project requests a Conditional Use Permit to operate an MPF within an existing 10,149 square-foot, one-story building located at 9220 Mira Este Court. The 0.55-acre site is located within the IL-3-1 Zone within the Mira Mesa Community Plan. The site was developed on 2001. The project proposes interior improvements alterations that include security cameras and system, throughout and associated mechanical and electrical improvements. The project proposes minor interior improvements to convert an existing office and warehouse facility for processing, packaging and distribution of marijuana products. Other minor site improvements are proposed consistent with the City of San Diego requirements.

MPF's are allowed in the IL-3-1 Zone of the Mira Mesa Community Plan with a Conditional Use Permit. The proposed use requires compliance with SDMC, Section 141.1004 and SDMC Chapter 4, Article 2, Division 15. SDMC Section 141.1004 requires a 1,000-foot separation, measured between property lines from, resource and population-based City parks, churches, child care centers, playgrounds, City libraries, minor-oriented facilities, residential care facilities, and schools. There is also a minimum distance requirement of 100 feet from a residential zone. The proposed MPF's comply with the separation requirements between uses set forth in SDMC Section 141.1004 (a). Security requirements, expressed as conditions in the Permit, include interior and exterior lighting, security cameras, alarms and a security guard. The security guard must be licensed by the State of California and be present on the premises during business hours.

The proposed MPF is consistent with all land development regulations relevant for the site and the use and no deviations are requested or required. Therefore, the proposed MPF will comply with the regulations of the Land Development Code.

d. The proposed use is appropriate at the proposed location.

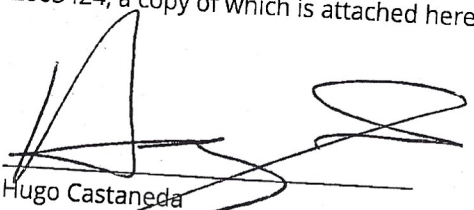

The project proposes to operate an MPF within an existing 10,149 square-foot, one-story building located at 9220 Mira Este Court. The site and the surrounding parcels are

located in the IL-2-1 and IL-3-1 Zones and is within the Light Industrial Land Use Area and the Miramar Subarea of the Mira Mesa Community Plan. The Light Industrial designation is intended to accommodate manufacturing, storage, warehousing, distribution and similar uses. The IL-3-1 Zone allows a mix of light industrial and office, and commercial uses. The proposed MPF, classified as Industrial, is consistent with the community plan designation.

The proposed MPF is consistent with all land development regulations relevant for the site and use. Also, the proposed MPF complies with the separation requirements between uses set forth in SDMC Section 141.1004 (a). No deviations are required or requested to approve the Conditional Use Permit. The proposed MPF is a compatible use for this location with a Conditional Use Permit. Therefore, the proposed MPF is an appropriate use at the proposed location.

The above findings are supported by the minutes, maps and exhibits, all of which are incorporated herein by this reference.

BE IT FURTHER RESOLVED that, based on the findings hereinbefore adopted by the Hearing Officer, Conditional Use Permit No. 2063424 is hereby GRANTED by the Hearing Officer to the referenced Owner/Permittee, in the form, exhibits, terms and conditions as set forth in Permit No. 2063424, a copy of which is attached hereto and made a part hereof.
