

Candidates for CA Governor as of May 29, 2021

The following list is from the 2021 recall of Governor Newsom that includes candidates with a website link. At 151 Farms we offer our farm as a venue for these candidates as we are particularly interested in what their positions are on the following issues:

Homelessness programs

Jobs programs

Attracting and maintaining industries to our state.

Environmental issues management (EIR & CEQA)

Drought management

Medical cannabis law and regulation

Social equity programs

Farm to Fork programs

Education

Police, Judicial and Election Law reforms

Tax and spending reforms

Healthcare
