Re: [Follow Up to My 07/19/21 Letter](#) Stating My Intention, as Governor, to Repeal Prop 64.

Dear AG Bonta:

As was stated in my previous letter to you, this letter will provide you with what was referred to in that letter as the PERON ACT but in its final form will be known as the **RESTORATION ACT**, dated 07/27/21, as seen in the enclosure. As I fully intend on repealing Prop 64 on my first day in office, I will want to coordinate with you and your staff the orderly transition for what would be both legal and illegal activity as defined in this RESTORATION ACT.

Thank you for your consideration as I look forward to our working together.

Regards,
