**Prop 64 DOES NOT WORK FOR THE ENVIRONMENT
REPEAL IT AND REPLACE IT WITH
[THE RESTORATION ACT](#)**

PROP 64 PROMISES: [Taken from AUMA](#)

SECTION 1. TITLE.

This measure shall be known as the Control, Regulate and Tax Adult Use of Marijuana Act (“the Adult Use of Marijuana Act”).

SECTION 2. FINDINGS AND DECLARATIONS.

A. Currently in California, nonmedical marijuana use is unregulated, untaxed, and occurs without any consumer or environmental protections. The Control, Regulate and Tax Adult Use of Marijuana Act will legalize marijuana for those over 21 years old, protect children, and establish laws to regulate marijuana cultivation, distribution, sale and use, and will protect Californians and the environment from potential dangers. It establishes the Bureau of Marijuana Control within the Department of Consumer Affairs to regulate and license the marijuana industry.

F. Currently, illegal marijuana growers steal or divert millions of gallons of water without any accountability. The Adult Use of Marijuana Act will create strict environmental regulations to ensure that the marijuana is grown efficiently and legally, to regulate the use of pesticides, to prevent wasting water, and to minimize water usage. The Adult Use of Marijuana Act will crack down on the illegal use of water and punish bad actors, while providing funds to restore lands that have been damaged by illegal marijuana grows. If a business does not demonstrate they are in full compliance with the applicable water usage and environmental laws, they will have their license revoked.

INSTEAD PROP 64 DELIVERS ENVIRONMENTAL HAVOC

These images taken in the Victorville/Adelanto area@ 10:00 pm show a 1,500 gal water truck running 24/7 pulling water off of fire hydrants located in residential communities to service numerous licensed and unlicensed cannabis farms. When Dave Martinez of Pacific Codes Compliance, a contractor who has taken over the City of Adelanto and sits under City Mgr Jesse Flores was asked why some of these grows are allowed to operate without licenses and were told that “some of them don’t want a license.”

When is this nonsense going to END?!! The residences in this neighborhood are seeing their water rates increased to account for all the stolen water!!!! This is criminal activity that MEETS or EXCEEDS ANYTHING that happened in cannabis prior to the passing of Prop 64 except NOW IT’S OUR GOVERNMENTS INVOLVED IN THE THEFT! WAKE UP CALIFORNIA!!! [REPEAL AND REPLACE PROP 64 WITH THE RESTORATION ACT](#) AND TAKE BACK WHAT THESE CORRUPT POLITICIANS HAVE STOLEN FROM THE PEOPLE OF CALIFORNIA!!!
